From our Yearly Meeting of Ministers & Elders held at Newport from the 13th to the 16th of the 6th month Inclusive 1755.

To the Quarterly Meetings of Ministers & Elders belonging to this Meeting. —— Dear Friends.

Forasmuch as in every Dispensation of Divine Wisdom, the Ministry in his Church hath been by his own appointment, and his gift for the perfecting the Saints, and the Edifying of the Body in Love; and as they have kept in the places he has assigned them, have very greatly Contributed to those excellent Ends: And on the contrary, when they have turned aside from a stedfast Obedience & humble leaning upon his own direction, have forsook him and followed Baal, they have been the Instruments of the greatest hurt to the Church in all Ages, and caused the People to Err by their corrupt Ministry & example: And when the Elders appointed to assist them and have the oversight of the Flock have faithfully followed the Heavenly leadings, they have been as Aaron & Hur to the Ministry in Strengthening their hands to war with the Enemies of Gods Israel, and leading the People on their way from Victory to Victory over their Enemies, in to the dominion of Truth and the peaceable possession of a Land fruitful and abounding with Milk & Honey from on high: But when these have forsook the Cause of God and had their Garments defiled with the Stains of the World & it's corrupting Spirit & Liberties, they have been Stumbling Blocks in the way of those Little Ones our Heavenly Father hath begot by his powerful Word, and given great Encouragement to a Libertine Spirit which has despised the Dominion of Truth and Spoken evil of its dignities. —

A deep and weighty concern hath rested upon this Meeting for the revival of Zions antient beauty that in this our age her light may go forth as brightness and her Salvation as a Lamp that burneth: And being through the renewings of antient Virtue made sensible to the bowing our Spirits in thankfulness before him that he still Cares for us, and waits to Bless us, as he did our Fathers, that by & thro' us as a People his glorious Name might be made famous to the Ends of the Earth: We entreat

all

all Ministers & Elders to be awakened in Soul to See, to the dis-
-charge of their Duty faithfully to God & his Church, that they
may be Instrumental in building the decayed walls, and repairing
the Breaches made in Our Zion: And in order to stir up all to their
Duty We recommend to your Care the following Queries and We
think it expedient that the Ministers & Elders in each monthly
Meeting do meet together at least once a Quarter, in which
Meeting the Queries maybe read, Considerd and an answer pre-
-pared to be brought to the Quarterly Meeting of Ministers &
Elders, whence for the future this Meeting expects plain & full
answers, and that they remain under the Care of Friends concerned
to consider & practice.

1. Quer. Are Ministers & Elders, careful duly to attend all their
Meetings for Worship and Discipline bringing along with them
as many of their Family as they can, and are they good Examples in
humble waiting therein, not giving way to Drowsiness?

2. Are Ministers Sound in Word, in Doctrine, Careful to Minister in
the ability God only gives, & thereby kept from burdening the Living,
and in true Unity, and fellowship in the Church?

3. Are their lives & Conversations clean and blameless amongst Men
adorning the Doctrine they deliver to Others, being Examples
of the Believers in Word, in Conversation in Charity, in Spirit
in Faith, in Purity?

4. Do they rule their own houses well, bringing their Families
up in the plainness of which Truth still requires, in Dress, Lan-
-guage, and true Moderation, and are they good Examples in these
respects themselves?

5. Are they peacemakers in Family's, and in the Church, not
concerned in raising or spreading evil reports against any, not
busybodies where they have no proper business?

6. Are they Careful to maintain the Discipline of the Church in
every part thereof, not to hide even their own Families from
Truths Judgment if occasion be given; but Impartially admini-
-ster Justice to all; as faithful Servents in the House of God?

7th

7th Do none Travel out of the Compass of the Quarterly Meeting they belong to, without Certificates from their Monthly Meeting?

8th Are Ministers & Elders in Unity one with another, and with the Meeting they belong unto, Harmoniously Labouring together for Truth honour, and Carefull to give no occasion of Just offence to either Jew, or Gentile, or the house of Faith?

9th Do you watch over one another for good, to help those who are young in the ministry in the Right line, Discouraging forward Spirits, that run into Words without Life & Power, guarding against affectation of Tones & Gestures, and every thing which would hurt their Service, Yet encouraging the humble Carefull Traveler, Speaking a word in due Season to them that are weary, and let all Dwell in that which gives Ability to Labour Successfully in the Church of Christ?

10th Where any Ministers or Elders, Transgress the Rules of Truth and walk Disorderly are they Dealt with in the Spirit of Love & Charity, yet the line of Judgment Stretched over Obstinate Offenders, that the Blessed Truth be not Evilly spoken of thro' their misconduct?
